Empower Yolo 'Rooms to Go'

'Rooms to Go' are items you would need for a specific room in your home such as a living room, bathroom, bedroom or kitchen. Sometimes clients have left situations where they have nothing and need to start over.

Donations for "Rooms to Go" are greatly appreciated and are welcome all year round. You can be creative - the possibilities are endless, and nothing needs to be expensive.

These are 'Rooms to Go' ideas that help families starting over:

Bedroom:

Bedroom to go may include: Full or twin sheet sets (comforter, sheets, pillow case), curtains, alarm clock, pillow, night-light, hangers.

Bathroom:

Bathroom to go may include: sets of matching bath towels, hand towels, wash cloths, bathroom sets (shower curtains, rings, mats, waste cans), hand washing set, toilet brush cleaner, toilet paper, first aid kit.

Kitchens:

Kitchens to go may include: household items like dishes, silverware, bake ware, cooking utensils, can opener, cutting board, grater, mixing bowls, peeler, coffee mugs, salt and pepper shakers, hot pads, dish towels, sponges, and dish soap.

Laundry Room:

Laundry basket, bucket and cleaning supplies, mop, broom, laundry detergent.

Living Room:

Rug, chair, table runner, decorations, frames, Fabreze plug ins, and lamps; we get a lot of requests for floor lamps now because many apartments don't have overhead lighting in all of the rooms.

Clothing Closet:

We always need NEW socks, underwear and bras for the kids and moms, any sizes because our clients come in all sizes, including teen boys. We always need men size boxers and briefs for the teens.

We always tell people to look around their own home and ask what they needed that first week in their new house; our clients will need similar items too. Something as simple as a can opener makes a difference. Thank you so much for thinking of Empower Yolo, your gifts make such a difference in the lives of our clients.
